~ The VolunteerConnections project was funded through the Department of Planning and Community Development (DPCD) Volunteer Support Grants (VSG) in January 2007.

~ The VolunteerConnections project identifies and informs new ways of working between local government and community groups to coordinate and support volunteers and volunteering. This includes the development and sharing of events, resources and best practice models to support volunteers and community groups.

~ This initiative will help to establish collaborative networks to better serve the needs of volunteers and organisations that work with volunteers.
